**Subject:**

Field Marking Paint- Pioneer Manufacturing-Term Contract (Co-Op - City of Coral Springs)

**Summary:**

Requesting authorization and approval of the following:

To participate in the Southeast Florida Co-Operative Bid (No. 25-H-204) (Lead Agency: City of Coral Springs), and to purchase Field Marking Paint from Pioneer Manufacturing Company in accordance with Bid No. 25-H-204, until July 31, 2027.

Issue purchase order(s) and process payment(s) to Pioneer Manufacturing Company, in accordance with Bid No. 25-H-204.

**Procurement:**

The City of Plantation participates in publicly solicited and awarded Southeast Florida Co-Operative contracts. On June 30, 2025, the City of Coral Springs (Lead Agency) awarded a contract to the Pioneer Manufacturing Company for Field Marking Paint (5 gallon buckets) with an initial contract term that ends on July 31, 2027.

In addition, this Agreement contains the option to renew for two (2) additional two (2) year periods. The previous contract (Bid No. 19-D-060i) in which the City of Plantation has historically been an active participant, expired on July 31, 2025.

**Background:**

**Strategic Priorities: Proactive and Responsive Asset Management**

Field Marking paint is a vital part of our operation. It is used to paint lines on fields for soccer, baseball, softball, lacrosse, flag football, and even helicopter landing pads. The Parks Division

paints all fields a minimum of at least once a week, so it is a product that has to be ordered on a regular basis. Quality field marking paint enhances the player experience for all of our patrons. Freshly painted sports fields keep our facilities looking their best year around.

This item is now ready for City Council consideration.
