City Council Chambers

Subject:

Engineering Services - NW 65th Ave. Water & Force Main Relocation - Craven Thompson & Assoc. Inc.

Summary:

Request authorization and approval of the following:

- To issue a work authorization/purchase order and process payment(s) to Craven Thompson & Associates, Inc for Professional Engineering Services (further defined in the attached proposal) associated with the "NW 65th Ave. Water & Force Main Relocation" in accordance with Agreement No. 015-19; Continuing Consulting Engineering Services for Wastewater and Water Utilities Engineering within Environmental and Sanitary Disciplines (Scope "B" Local/Regional) in the amount of \$109,857.85.

Procurement:

The Procurement Department has reviewed the information provided and has determined; that the hourly rates utilized to determine the totals provided in the proposal are in accordance with Agreement No. 015-19; "Continuing Consulting Engineering Services for Wastewater and Water Utilities Engineering within Environmental and Sanitary Disciplines (Scope "B" Local/Regional)" between the City of Plantation and Craven Thompson & Associates, Inc. - (Scope B) Exhibit "C" Billing Rates (see attached latest Amendment).

This continuing agreement (015-19) between the City and Craven Thompson & Associates, Inc. is set to expire January 16, 2026. In addition, the use of this "continuing contract" for the mentioned work complies with Florida Statutes 287.055(g), as the proposed construction work is estimated (good faith) not to exceed 7.5 million dollars.

Based on the forgoing information the Procurement and Utilities Department is requesting for

authorization and approval of the following:

- To issue a work authorization/purchase order and process payment(s) to Craven Thompson & Associates, Inc for Professional Engineering Services (further defined in the attached proposal) associated with the " NW 65th Ave. Water & Force Main Relocation" in accordance with Agreement No. 015-19; Continuing Consulting Engineering Services for Wastewater and Water Utilities Engineering within Environmental and Sanitary Disciplines (Scope "B" Local/Regional) in the amount of \$109,857.85.

Background:

Strategic Priorities: Planning for a Sustainable Future

Existing water and force main relocation is needed at NW 65th and Sunrise Blvd. per FDOT for ADA compliance and to meet safety standards. Engineering services are needed to provide the design and construction oversight for this project.

This item is now ready for City Council consideration.

Funding:

443-0000-169-9601

Amount:

\$109,857.85

Finance Director/Budget Manager Recommendation:

The Utilities Repair & Repair Fund has a total of \$550,000 budgeted in FY2025 for the NW 65th. Ave Water & Force Main Relocation (project #1037).
