Background:

Strategic Priorities: Safe and Secure

The use of armored car services is a critical component of the City's cash-handling process. These services ensure the secure transportation of daily deposits from multiple City locations to the bank vault. Given the volume and frequency of cash transactions across departments, the armored car service provides several key benefits:

- Security & Risk Mitigation
- Employee Safety
- Efficiency and Reliability
- Internal Controls and Accountability

This item is now ready for City Council consideration.
