Subject:

Appointment of a Student Representative to the Sustainability and Resiliency Advisory Board

Summary:

Background:

In 2025, the City Council amended the City's Code of Ordinances to provide for a student member to serve a one-year term on the Sustainability and Resiliency Advisory Board (SRAB). SRAB would like to gratefully acknowledge the service and contributions of its first student member, Sophia Busch. Sophia has graduated from high school and is now attending college out of state.

Accordingly, staff has solicited via social media for student applications. Code requires that the student reside in the city and be a student in grades 9-12 with an interest in the environment and public service. Students serve a one-year term and are eligible to reapply for additional terms.

SRAB's next meeting is October 12th.
