City of Plantation  
City Council Chambers

**Subject:**

CAD to CAD Exchange Interface (Amendment No. 1- Additional Services) associated with Public Records Management System Agreement

**Summary:**

Requesting authorization and approval of the following:

Authorization and approval to execute Amendment No. 1 for Additional Services (CAD to CAD Exchange Interface) between the City of Plantation and Intergraph Corporation, d/b/a Hexagon Safety, Infrastructure and Geospatial ("Hexagon") associated with "Public Records Management System" agreement attached herein.

Authorization and approval to process payments to "Hexagon" for a total amount of \$76,949.92 which is titled "One-Time Project Services" in the attached Amendment.

Authorization and approval to process payments to "Hexagon" for a total amount \$83,923.08 over 60 months which is titled "Software Subscription "in the attached Amendment.

Authorization and approval to process payments to "Hexagon" during any renewal subscription term that may be approved administratively in accordance with attached Amendment associated with Public Records Management System agreement attached herein.

**Procurement:**

On March 27, 2024, under Consent Agenda Item No. 6, the City Council authorized and approved the execution of an agreement between the City of Plantation and Intergraph Corporation, d/b/a Hexagon Safety, Infrastructure and Geospatial ("Hexagon"), for a Public Records Management System.

Section 16, of the executed agreement governs amendments and provides that any and all amendments to the Master Agreement must be in writing, specifically reference that the amendment is intended to modify the Master Terms, and be executed by authorized

representatives of both parties. No Order or Change Order shall affect the Master Terms unless expressly stated therein.

Section 8, of the executed agreement addresses the addition and removal of Covered Products and provides, in part, that software products licensed from Hexagon during the term of the Maintenance Contract may be added as Covered Products through additional related Order Documents. If such software products are not added as Covered Products prior to the commencement of production use, Hexagon may permit their addition subject to additional fees in accordance with Hexagon's then-current policies or practices.

Based on the foregoing provisions, staff has determined that the additional services being requested may be incorporated into the existing agreement through an amendment.

Accordingly, the Administration, Police Department, and Procurement Department request authorization and approval of the following:

- Authorization and approval to execute Amendment No. 1 for Additional Services (CAD to CAD Exchange Interface) between the City of Plantation and Intergraph Corporation, d/b/a Hexagon Safety, Infrastructure and Geospatial ("Hexagon") associated with "Public Records Management System" agreement attached herein.
- Authorization and approval to process payments to "Hexagon" for a total amount of \$76,949.92 which is titled "One-Time Project Services" in the attached Amendment.
- Authorization and approval to process payments to "Hexagon" for a total amount \$83,923.08 over 60 months which is titled "Software Subscription "in the attached Amendment.
- Authorization and approval to process payments to "Hexagon" during any renewal subscription term that may be approved administratively in accordance with attached Amendment associated with Public Records Management System agreement attached herein.

**Background:**

**Strategic Priority: Safe and Secure.**

This is the CAD to CAD interface that will facilitate interoperability between different CAD system, specifically Broward County and Coral Springs.

This item is now ready for City Council consideration.

**Funding:**

001-3900-521-6401
