Plantation City Council/CRA/PAID Meeting Agenda

Notice of City Council/CRA/PAID Meeting

November 18, 2026

City of Plantation
City Council Chambers

Subject:

Discussion of 2027 Legislative Appropriation Requests and Legislative Agenda.

Summary:

Background:

The 2027 Florida Legislature session opens March 2, 2027. In order to maximize our chances of having appropriation requests funded, our lobbyists have requested we provide them with appropriation requests before the end of 2026. This time period allows them to secure bill sponsors but also to begin work on rallying the necessary support to be included in the state budget. We are in the process of identifying specific projects but plan to focus our requests on stormwater needs for the upcoming session. As we finalize appropriation requests, we will share the details of those requests with you. If you have suggestions for appropriations, kindly reach out. As a general rule, appropriation requests are $1 million or less and should have a 50% match (minimum). Funding availability, if approved, is roughly October/November 2027.

It is anticipated that we will bring forward a discussion regarding our Legislative Action Plan in early 2027.
