

REQUEST FOR ACTION

Elton Hills Dr NW Concept Design Review (5:30 p.m. - 6:30 p.m.)

MEETING DATE:

June 22, 2026

ORIGINATING DEPT:

Public Works

AGENDA SECTION:

Presentation Items

PRESENTER:

Sam Budzyna

Report Narrative:

A pavement preservation project is planned for 2027 on Elton Hills Dr NW, from Broadway Ave N to 500 ft East of Assisi Dr NW. Public Works will provide the results of a recently completed traffic study and public engagement activities, to inform future lane configurations and potential safety improvements. A Council vote is anticipated in July before the project moves into final design.

Priorities & Foundational Principles:

Quality Services

Prepared By:

Sam Budzyna
