

REQUEST FOR ACTION

Slatterly Park Sidewalks, Paths, Final Grading, and Restoration

MEETING DATE:

July 1, 2025

ORIGINATING DEPT:

Parks & Recreation

AGENDA SECTION:

Consent

PRESENTER:

Jeff Feece

Action Requested:

Authorizing the contract for the final phase of work at Slatterly Park that started in 2023.

Report Narrative:

Improvements at Slatterly Park have been underway since 2023 with the help of an Outdoor Recreation Grant through the Minnesota Department of Natural Resources. The playground was replaced in 2023. A basketball court and two pickleball courts were installed in 2024. The final phase of improvements, which were coordinated to be completed after the RPU Duct Bank Project, include concrete sidewalks, bituminous paths, excavation and grading, and site restoration. Rochester Sand and Gravel carried out the 2024 projects and provided the lower of two quotes received for the 2025 phase.

Policy Considerations & DEI Impact:

Maintain assets at a high level.

Accessibility to park facilities (walking, biking, scooters, vehicles).

Ensure equitable mix of facilities across community parks.

Prior Legislative Actions & Community Engagement:

March 1, 2022: Park Board - Approved Application for Outdoor Recreation Grant. Significant community engagement was carried out with the Slatterly Park Neighborhood Association during the spring of 2022.

February 7, 2023: Park Board - Approved Playground Replacement. Further community engagement was carried out specifically for the playground replacement in the spring of 2023.

April 16, 2024: Park Board - Approved 2024 Improvements.

Fiscal & Resource Impact:

\$122,252.50 of the funding comes from dollars designated for court replacement

\$154,550 of the funding comes from dollars allocated for playground replacement

\$250,000 of the funding comes from the state grant

\$526,802.50 PROJECT FUNDING

2023 Playground Improvements: \$227,345.97

2024 Construction of Courts: \$176,639.95

2025 Site Improvements: \$122,816.58

TOTAL PROJECT: \$526,802.50
