Seasonal Parking Restriction Update

MEETING DATE:

August 17, 2026

ORIGINATING DEPT:

Public Works

AGENDA SECTION:

Reports and Recommendations

PRESENTER:

Tyler Niemeyer

Action Requested:

For Council information only - no formal action requested.

Report Narrative:

This item was originally scheduled for discussion at the August 10, 2026 Council Study Session, but the item was delayed due to schedule constraints.

Public Works will present an update on seasonal parking restrictions, including operational observations, community feedback, and the results of a Justice, Equity, Diversity, and Inclusion (JEDI) audit review of the program. Council will be asked for feedback on the results of the JEDI audit and the potential to implement a sliding start date for seasonal parking restrictions.

Priorities & Foundational Principles:

Quality Services

Policy Considerations & DEI Impact:

Council feedback could influence future implementation of the Seasonal Parking Ordinance.

DEI considerations from a Justice, Equity, Diversity, and Inclusion (JEDI) audit of the seasonal parking restrictions will be outlined for the Council.

Prior Legislative Actions & Community Engagement:
