

REQUEST FOR ACTION

Change Order #1 with Oshkosh Airport Products, LLC for Firefighting Equipment Related to the Purchase of an Aircraft Rescue and Firefighting (ARFF) Vehicle

MEETING DATE:

June 15, 2026

ORIGINATING DEPT:

Airport

AGENDA SECTION:

Consent Agenda

PRESENTER:

John Reed

Action Requested:

1. Authorizing change order #1 with Oshkosh Airport Products, LLC in the amount of \$99,952.00 for vehicle options on the new Aircraft Rescue and Firefighting Vehicle; and
2. Adopting a Resolution accepting the grant amendment and authorizing execution of grant amendment with the Minnesota Department of Transportation (MN/DOT); and
3. Adopting a Resolution accepting the grant amendment and authorizing execution of grant amendment with the Federal Aviation Administration (FAA).

Report Narrative:

The Rochester International Airport has awarded a bid to Oshkosh Airport Products for a new 3,000 gallon Aircraft Rescue and Fire Fighting (ARFF) vehicle and associated equipment (firefighting clothing, tools, equipment, etc.). The new vehicle replaces a 1990 Oshkosh T-3000 and similarly aged equipment. After the bid award to Oshkosh Airport Products for the new ARFF Truck, Oshkosh provided additional vehicle options for consideration. Some of the options are FAA eligible while other FAA ineligible items will be funded by MN/DOT - Office of Aeronautics. The FAA has concurred with funding the FAA eligible items and MN/DOT - Office of Aeronautics has concurred with funding the FAA ineligible items. The attached proposal contains an equipment list.

Priorities & Foundational Principles:

Public Safety

Fiscal Responsibility and Sustainability

Policy Considerations & DEI Impact:

This new Aircraft Rescue and Firefighting Vehicle and corresponding equipment will allow the airport to continue to provide critical safety services to the traveling public, assisting the airport with its mission: "To provide a sustainable community asset that places the customer first, acts with agility and accountability, is responsive to stakeholders, empowers staff, and embeds safety and security in all we do."

Prior Legislative Actions & Community Engagement:

September 9, 2025: Airport Commission - Recommended awarding a contract to Oshkosh Airport Products, LLC and Clarey's Safety Equipment, adopting the necessary resolutions accepting the grants

and authorizing execution of grant agreements with the Minnesota Department of Transportation (MN/DOT) and the Federal Aviation Administration (FAA).

June 2, 2026: Airport Commission - Recommended authorizing change order #1 with Oshkosh Airport Products, LLC and resolution accepting the grant amendment and authorizing execution of grant amendment with the Minnesota Department of Transportation (MN/DOT) and adopting a resolution accepting the grant amendment and authorizing execution of grant amendment with the Federal Aviation Administration (FAA).

Fiscal & Resource Impact:

Cost Implications: Increase of \$99,952.00 (funded \$4,594 by FAA, \$66,581 by the State, and \$28,777 by the City of Rochester)

Alternative Action(s):

No alternative action is suggested at this time.
