MEETING DATE:

June 8, 2026

ORIGINATING DEPT:

City Administration

AGENDA SECTION:

Presentation Items

PRESENTER:

Heather Corcoran

Report Narrative:

The 2026 Legislative Session concluded on May 18th with many notable outcomes related to City priority items including achievements related to the city's bonding priorities, Chateau liquor license, and others. This presentation will include updates on the status of 2026 City legislative priorities and a brief forecast of potential issues for the Council's consideration when setting 2027 legislative priorities, which will be formally considered for adoption later in the year or early in 2027. Discussion and feedback by the Council regarding the potential issues for 2027 included in the presentation, potential bonding request priorities, and any additional legislative issues the Common Council is seeking further information on in the future will help the team formulate Legislative Priorities for 2027 during the coming months as part of the legislative priority development process.

Priorities & Foundational Principles:
