

City Council Staff Report

Subject: Agreement for Services with Future Chevrolet

Date: October 28, 2025

Submitted By: Matt McClure, Public Works Manager
Justin Nartker, Public Works Director

Department: Public Works

Recommendation:

Adopt a Resolution of the City Council of the City of Rocklin Approving and Authorizing the use of Future Chevrolet, Inc. for the Procurement of Goods and Services for Fleet Chevrolet Vehicles and Authorizing the City Manager to Execute an Agreement with Future Chevrolet Inc.

Background:

The Public Works Fleet Division requires Chevrolet parts and services to support the repair and maintenance of the City's Chevrolet fleet vehicles. An Agreement for Services with Future Chevrolet, Inc. has been reviewed and approved as to form by the City Attorney and has been signed by Future Chevrolet, Inc. (Attachment 2).

Rocklin Municipal Code Section 3.04.090 (C) and (D) authorizes the City to enter into cooperative purchasing arrangements with other governmental entities without separate competitive bidding. Sourcewell has a program that provides local government agencies access to competitively bid and publicly solicited contracts from vendors who supply goods and services. These contracts are created through a competitive bid process that allows members to "piggyback" on the competitive bid contract, eliminating the need to complete the individual RFP/bid process and allowing the City to move quickly to secure services and equipment.

Pursuant to this program, Future Chevrolet, Inc., an authorized distributor for General Motors Company, is eligible under Sourcewell Contract No. 080124-GNL to provide goods and services. Staff recommends that the City Council authorize the use of this cooperative purchasing agreement for the procurement of goods and services from Future Chevrolet, Inc. in an amount not to exceed \$150,000 per calendar year, for a total not to exceed \$450,000 over three (3) years, in accordance with Sourcewell Contract No. 080124-GNL (Attachment 3).

The same cooperative purchasing arrangement was previously included in the list of cooperative purchasing contracts approved by City Council in Resolution No. 2025-183 earlier this year. However, Resolution No. 2025-183 covers goods only and does not include labor

services. This Agreement provides for both goods and services, as authorized under the Sourcewell Contract.

Fiscal Impact:

There is no additional fiscal impact, as the cost of goods and services is included in the Fiscal Year (FY) 2025-2027 Operating Budgets and will be charged accordingly at the time of use. Budget for the subsequent year will be appropriated, provided sufficient funds are available, in the FY 2027/28 Operating Budget.
