

City Council Special Staff Report

Subject: Portable X-Ray System Purchase

Date: November 19, 2024

Submitted By: Luke Sincerny, Captain
Rustin Banks, Police Chief

Department: Police

Recommendation:

Adopt a Resolution of the City Council of the City of Rocklin Authorizing the Purchase of XIROS DR Portable X-Ray System Under the 2022 Homeland Security Grant Program-Urban Area Security Initiative.

Background:

The City of Sacramento in coordination with the City of Rocklin Police Department applied for and was awarded a grant under the Fiscal Year 2022 Homeland Security Grant Program-Urban Area Security Initiative (UASI) in the amount of three million and ninety-seven thousand dollars (\$3,097,000), starting on or about June 1, 2024 and concluding April 30, 2025.

The City of Rocklin Police Department is receiving a subaward from the City of Sacramento (Exhibit A) in the amount of eighty-nine thousand and eighty dollars (\$89,080) for the specific purpose to purchase a XIROS DR System, including a Dual Panel XIROS II 12x12 and STENOS II 14x17 flat Panel Kit, computer kit for Security DR systems with a custom tactical backpack for XIROS DR system, DeWalt powered panel side Wi-Fi radio kit for Gen 2 systems, and DR power cord kit from Logos Imaging, LLC in Windsor, Colorado for use by the Explosive Ordnance Disposal Team (EOD). The equipment will increase safety and "Time on Target" for bomb technicians.

Rocklin Municipal Code Section 3.04 states the purchase of goods for an amount more than fifty thousand dollar (\$50,000) must be approved by the City Council. Funding has been appropriated and the Grant Agreement was approved by the City Council on June 11, 2024 per Resolution No. 2024-135. Rocklin Municipal Code Chapter 3.04 allows for a purchase without competitive bidding under the Sole or Limited Source exception. The XIROS DR system is solely provided by Logos Imaging, LLC. worldwide.

Fiscal Impact:

There is no direct fiscal impact on the General Fund from the staff recommendation. The cost of the X-Ray system, up to \$89,080, will be reimbursed by the grant and is budgeted in the Grants/Reimbursable Fund (275).
