

City Council Regular Meeting Staff Report

Subject: Tobacco Law Enforcement Grant

Date: January 24, 2023

Submitted By: Neil Costa, Lieutenant

Department: Police

Recommendation:

Adopt a Resolution of the City Council of the City of Rocklin Authorizing the City Manager to Execute a Memorandum of Understanding with the California Department of Justice Accepting a Tobacco Law Enforcement Grant.

Background:

For the last four fiscal years, the Rocklin Police Department has been working under an existing California Department of Justice (DOJ) grant that funded a Youth Services Officer working with the Rocklin Unified School District (RUSD) in Tobacco Prevention Programs. The success of this program, and the partnership with RUSD, has successfully allowed the City to apply for and receive a third Tobacco Law Enforcement Grant Award in the amount of \$379,102. This grant will fund a portion of a Police Officer position assigned to enforcement and education of Tobacco Prevention Programs for an additional three fiscal years. The funding begins July 1, 2023 and concludes June 30, 2026. For the new grant cycle, the California DOJ no longer allows the funds to be used for on campus/school enforcement.

The Rocklin Police Department will continue to conduct periodic enforcement operations across the community as it relates to the underage sale and purchase of tobacco products from retailers. Officers will be performing enforcement and education programs on tobacco prevention and enforcing state and local laws related to the illegal sales and marketing of tobacco products to minors.

Fiscal Impact:

The total grant award is \$379,102 and is all inclusive. Each fiscal year award:

2023/24 = \$127,263

2024/25 = \$124,621

2025/26 = \$127,218
