Recommendation:

Adopt a Resolution of the City Council of the City of Rocklin Adopting a List of Projects for Fiscal Year 2026/27 funded by Senate Bill 1: The Road Repair and Accountability Act of 2017.

Background:

Senate Bill 1 (SB 1) the “Road Repair and Accountability Act of 2017”, was established during Fiscal Year (FY) 2017/18 and provides funds to California cities and counties for eligible basic road maintenance, rehabilitation, and critical safety projects on roadway systems within their jurisdiction. Prior to receiving the apportionment of Road Maintenance and Rehabilitation Account (RMRA) funds from the State Controller, the City must submit a detailed list of proposed eligible projects to the California Transportation Commission (CTC) along with a City Council Resolution approving the list.

The CTC estimates that the City of Rocklin will receive approximately \$2,058,786 in RMRA funds in FY 2026/27. The City Council Resolution (Attachment 1), which includes the SB 1 project list, is due to the CTC by July 1, 2026, with project expenditure reports due on December 1, 2026.

The City will submit four projects: (1) Fiscal Year 2026/27 Dig Outs; (2) Blue Oaks Boulevard Arterial Roadway Maintenance (3) the Pavement Management Program; and (4) Sierra College Boulevard at I-80 Resurfacing. These projects are components of the Pavement Management Program within the City’s 2026-2031 Capital Improvement Program.

Staff recommends the City Council adopt the attached resolution as it is necessary to submit the City’s SB 1 Project List to the CTC in order to be eligible to receive funding.

Fiscal Impact:

The CTC has projected that the City of Rocklin will receive \$2,058,786 in FY 2026/27 to be used toward eligible projects in the SB 1 Road and Rehabilitation Fund (205).
