ITEM TYPE: Possible Action

SUGGESTED ACTION: To authorize payment for the Zeeb Rd Pathway Phase V final design and construction bidding services.

BACKGROUND: At the March 10th, 2026, Board of Trustees meeting a discussion took place on the direction of completing the Zeeb Rd Pathway Phase V as one of the properties was no longer supportive of granting an easement over their site. The Board of Trustees decided to move forward to completing this project by breaking the construction into phases: 1) north to Peters Road; 2) over the Huron River; 3) over the TriAir site; and 4) over the railroad tracks. The consultant on the project, OHM, has prepared bids and final design to this section of the pathway to keep this project moving forward.

The original invoice received from OHM is \$23,294.75; \$9521.79 has already been dispersed. We request payment of the balance - \$13, 722.96.

FISCAL IMPACT: \$13,772.96

RECOMMENDATION: The Parks Director & Project Manager recommends approval
