

AGENDA # K.20
Scio Township Board of Trustees
Adoption of Year End Budget Amendments for FYE26 Budget

FOR MEETING DATE OF: March 24, 2026

PREPARED ON: March 16, 2026; updated
March 19, 2026

PREPARED BY: Jessica Flintoft

SUBMITTED BY: Clerk

ITEM TYPE: Possible Action

BACKGROUND: State law requires that the Township end the fiscal year with no actual expenditures exceeding budgeted expenditures. Throughout the year, the Board of Trustees considers periodic budget amendments (usually three times a year) in order to assess the budgeted revenues and expenditures and make any adjustments necessary. These proposed budget amendments are the final such adjustment that the Board of Trustees may make for FYE26. Any services procured or goods received through March 31, 2026 must be sufficiently budgeted for.

Ali Norris from Plante Moran prepared these proposed final budget amendments, and they have been reviewed by Finance Director Timmons, to account for outstanding invoices or other final expenses we might expect in the coming days.

RECOMMENDATION: Finance Director and Clerk recommends approval.

MODEL MOTION: To adopt proposed resolution to adopt year end budget amendments for FYE26 [as presented/as amended].
