**FOR MEETING DATE OF:** March 24, 2026

**PREPARED ON:** March 16, 2026

**PREPARED BY:** Jessica Flintoft

**SUBMITTED BY:** Clerk

**ITEM TYPE:** Possible Action

**BACKGROUND:** MCL 28.466 regulates the permitting of commercial grade fireworks displays. These require approval by the Scio Township Board of Trustees. If approved, the Clerk issues permit.

I attended the 2024 and 2025 Fireworks events, and can confirm that the Herrons and Julie Nixon implemented several improvements to control traffic, crowds, and have submitted a similar well considered plan for 2026. It is attached.

The proposed rain date is July 5, 2026.

Through separate Township ordinance and process, any food trucks will be permitted through Fire Marshal and Clerk.

**RECOMMENDATION:** Fire Marshal has no objection to issuance of permit, with requirements outlined. Clerk recommends approval.
