

**AGENDA # J.6**  
**Scio Township Board of Trustees**  
**Water Tower Design**

**FOR MEETING DATE OF:** January 9, 2024

**PREPARED ON:** 12/20/23

**PREPARED BY:** Brandon McNiel

**SUBMITTED BY:** Utilities

**ITEM TYPE:** Possible Action

**SUGGESTED ACTION:** I asked the board to approve a water tower design.

**BACKGROUND:** Dixon Engineering has inspected and recommend repairs to the Township's water tower. As the BOT has been previously informed, the water tower needs to be repainted. The BOT is asked to approve a design tonight so we can move forward with getting quotes for the tower to be painted and have necessary repairs made.

Option 1- Green base as depicted in picture with Scenic Scio Township written in font style of your choosing.

Option 2- Green Base as depicted in picture with Scio township logo on water tower.

For both options, the green paint will be painted a little higher up the sphere than depicted in picture.

**RECOMMENDATION:** Utilities Director recommends using the Scio township logo on the water tower with the green base.

**MODEL MOTION:** To approve design work for Scio Township water tower using \_\_\_\_\_ design.

**ATTACHMENTS:**
