**Scio Township Board of Trustees**  
**Scio Church Road Pathway Design**

**FOR MEETING DATE OF:** March 24, 2026

**PREPARED ON:** March 18, 2026

**PREPARED BY:** Christopher Cheng

**SUBMITTED BY:** Parks and Pathways

**ITEM TYPE:** Possible Action

**SUGGESTED ACTION:** To authorize OHM Consultants to design the pathway along the north side of Scio Church Road from Upland Drive to Oak Valley Drive for up to \$50,000; \$25,000 from GL 208-751-821 and \$25,000 from WCPARC grant funds.

**BACKGROUND:** The Washtenaw County Parks and Recreation Commission (WCPARC) is partnering with Scio Township to connect county residents with community resources such as parks, places of employment, and schools. Scio Township was awarded a grant for \$25,000 from WCPARC with matching funds of \$25,000 from the Parks and Pathways millage fund (Board approved 11/12/2025). These funds will be used to design a pathway on the north side of Scio Church Road between Oak Valley Drive and Upland Drive, connecting nearby neighborhoods with the City of Ann Arbor, Lodi Township, and Pittsfield Township. Completing the design of this pathway will allow this project to be shovel ready for the purpose of qualifying for grant opportunities and other funding options as they are made available.

**FISCAL IMPACT:** \$49,200

**RECOMMENDATION:** Parks Director and the Project Manager recommend approval.
