

AGENDA # G.2
Scio Township Board of Trustees
Authorization for abatement of old cable at Scio Township Hall

FOR MEETING DATE OF: April 9, 2024
PREPARED ON: 4/3/2024
PREPARED BY: Chris Bailey
SUBMITTED BY: Information Technology

ITEM TYPE: Possible Action

BACKGROUND: Having replaced all the cabling at Scio Township Hall we must remove the old cabling in the building per code. The old cabling poses a hazard in the event of a fire as the cabling running through the ceilings and walls is very heavy when bundled together. This heavy bundle can pose a significant threat during a fire for people escaping the building and firefighters in the building working.

FISCAL IMPACT: \$4000 in budgeted funds

RECOMMENDATION: The IT Director recommends approving the abatement of old/unused cabling at Scio Township Hall. This \$4000 covers the estimated cost of \$3420 plus extra to cover any overages that may occur.

MODEL MOTION: To approve up to \$4000 for the cost of cabling abatement at Scio Township Hall, payable from budgeted funds in 101-901-975.000-ARPA IT IMPR
