Ann Arbor Area Transportation Authority Service Agreement Renewal

FOR MEETING DATE OF: March 28, 2023

PREPARED ON: 3/23/23

PREPARED BY: Will Hathaway

SUBMITTED BY: Supervisor

ITEM TYPE: Possible Action

SUGGESTED ACTION: Approval of the annual service agreement with AAATA

BACKGROUND: The Township approved an updated service agreement with AAATA in October 2021. Under this agreement, fixed-route service in Scio Township was restored to its pre-pandemic service level, replacing the FlexRide service introduced during the pandemic. The updated Purchase of Service Agreement was based on the the Service Recovery Plan and AAATA's projected service levels in FY2022. The Township Attorney reviewed and approved the contract. The contract included an automatic renewal clause that has taken effect for the service period of October 1, 2022 - September 30, 2023. The contract renewal includes a cost increase to a new annual total of \$468,875.

FISCAL IMPACT: AAATA's increased service may necessitate an adjustment to the Township's budget.

RECOMMENDATION: Supervisor recommends approval.

MODEL MOTION: To approve extension of the attached service agreement between Ann Arbor Area Transportation Authority and Scio Township for the period of October 1, 2022 through September 30, 2023 including the total annual cost increase to \$468,875.
