SUBJECT: Mowing and Trimming Services Contract for Fort Lauderdale Field Station Area of Responsibility, Broward County

Agenda Item Background:

Maintenance of District lands and rights of way is required to ensure that vegetation is controlled at the appropriate height to provide for optimal performance and operational efficiency of the District's flood control system. This is a proposed contract for the annual mowing and trimming of approximately 4,584 acres of various District lands and canal and levee rights of way in the Fort Lauderdale Field Station area of responsibility in Broward County.

Additional Item Background:

Core Mission and Strategic Priorities:

Mowing the District's rights of way reduces and controls vegetative growth along canal banks which can impede operations, inspections and access to the District's water control facilities.

Funding Source:

Funding from District Ad Valorem Funds.
