The city code requires criminal background checks on the managers and owners of each establishment. Additionally, all taxes and utility bills need to be paid in full before a liquor license is issued or renewed. The following has been verified or received for each business:

- Cleared background checks (some are still in progress)
- Utilities and property taxes are up to date
  - Given that property taxes are due May 15 staff are still verifying these are up to date for the above businesses.
- License fees have been paid
- Certificate of insurance
- Passed alcohol compliance check

## **RECOMMENDATION**

It is recommended that the city council approve the liquor license renewals as listed in the requested motion, subject to the completion of criminal background checks by the Ramsey County Sheriff's Office and payment of property taxes and utility bills, for the term of July 1,

2025 to June 30, 2026
