

Memorandum

TO: City Council
FROM: David Yang , Staff Engineer
DATE: October 6, 2025
SUBJECT: Accept quote from Allied Blacktop Company for the 2025 Crack Sealing, city project 25-11.
ITEM NUMBER: 8.n
SECTION: CONSENT AGENDA

REQUESTED MOTION

Accept quote submitted by Allied Blacktop Company in the amount of \$53,000.00 for the 2025 Crack Sealing, city project 25-11.

INTRODUCTION

Staff solicited quotes for the 2025 Crack Sealing, city project 25-11, in September of 2025 and recommends the city council accept the quote submitted by Allied Blacktop Company and award a contract to complete the project.

DISCUSSION

Staff actively performs street maintenance in accordance with the city's street maintenance program. This program, among other things, aims to slow pavement deterioration, extend pavement service life, delay costly replacements and repairs, and allow city funds to be utilized efficiently. Sealing pavement cracks is an important strategy of this program. Crack sealing helps prevent water and debris from entering cracks in the pavement. Water is detrimental to the pavement structure when it undergoes a freeze-thaw cycle, creating pressure that widens existing cracks and causing structural weakening. In previous years, the city performed crack sealing in conjunction with pavement sealing preservation projects. Since the city has moved away from pavement sealing, crack sealing will need to be completed as a separate project moving forward.

To perform the crack sealing, staff solicited quotes from three qualified contractors with extensive experience performing this type of work in the metro area. Three competitive quotes were submitted to the city, but the submitted quotes were higher than the available budget to complete this project. Since Allied Blacktop Company submitted the lowest quote, staff reached out to them to re-evaluate the project needs and scope, and was able to negotiate a revised quote of \$53,000 to complete the 2025 Crack Sealing, city project 25-11.

Staff recommends the city council accept the revised quote submitted by Allied Blacktop Company in the amount of \$53,000.00 for the 2025 Crack Sealing, city project 25-11. This project will be paid for by a combination of street renewal and street maintenance funds.

RECOMMENDATION

Staff recommends the city council accept the revised quote submitted by Allied Blacktop Company in the amount of \$53,000.00 for the 2025 Crack Sealing, city project 25-11.
