

Memorandum

TO: City Council
FROM: Stephanie Smith , City engineer
DATE: July 21, 2025
SUBJECT: Accept quote from Dave Perkins Contracting, Inc. for 2025 Watermain Improvements, city project 25-02.
ITEM NUMBER: 8.j
SECTION: CONSENT AGENDA

REQUESTED MOTION

To accept quote from Dave Perkins Contracting, Inc. in the amount of \$58,961.00 for the 2025 Watermain Improvement, city project 25-02.

INTRODUCTION

The city's 2025 capital improvement plan includes funding for the 2025 Watermain Improvements, 25-02. Staff has solicited quotes to complete this work and is recommending the city council accept the low quote.

DISCUSSION

The city has identified locations in town where the water pipes enter a neighborhood in only one location. This lack of redundancy can cause service outages if issues occur on that pipe. It can also provide less water circulation, which can create sediment build-up and discoloration in the water. The 2025 Watermain Improvement project's goal is to eliminate this issue by making a second connection, sometimes known as “looping” the watermain to create a circle or “loop” for the water to travel. Looping also improves the over performance of the distribution system by equalizing flow and pressure, which insures proper disinfection and improves fire flow.

Staff identified the Woodbridge neighborhood, between Lake Owasso and the city limits as an area that would benefit from a second connection to the watermain on North Owasso Boulevard. The project will construct a connection to the existing watermain pipe at Lake Owasso Residence, which connects to the watermain at North Owasso Boulevard.

To construct the connection to the existing pipe, staff solicited quotes from qualified contractors and received competitive responses, summarized below:

- **Contractor:** Dave Perkins Contracting, Inc.
 - **Quote:** \$58,961.00
- **Contractor:** Capra's Utilities, Inc.
 - **Quote:** \$59,975.00

Please note: asphalt pavement and paver installation will be performed by another contractor and is not included in these quote totals.

Staff recommends accepting the low quote in the amount of \$58,961.00. The costs will be paid by the water fund.

RECOMMENDATION

Staff recommends city council accept the quote from Dave Perkins Contracting, Inc. in the amount of \$58,961.00 for the 2025 Watermain Improvement, city project 25-02.
