ITEM TYPE: Resolution

TEMP. RESOLUTION NUMBER: 13929

AGENDA SECTION: CONSENT AGENDA

TITLE: TR13929 - A Resolution of the City Commission of the City of Tamarac, Florida, authorizing the appropriate City Officials to execute an agreement with Southampton Neighborhood Association, Inc. for the City through Broward County Sheriff's Office to exercise jurisdictional authority for traffic control and enforcement within the property of Southampton Neighborhood Association, Inc.; providing for conflicts; providing for severability; and providing for an effective date.

RECOMMENDATION: It is recommended that the City Commission approve TR 13929 authorizing the appropriate City Officials to execute an agreement with the Southampton Neighborhood Association, Inc. for the City, through Broward Sheriff's Office, to exercise jurisdictional authority for traffic control and enforcement within the property of the Southampton Neighborhood Association, Inc.

BACKGROUND: On October 25, 2022, the Southampton Neighborhood Association Board of Directors voted unanimously to enter into a traffic enforcement agreement between the City and Broward Sheriff's Office. In the past, the City has entered into agreements for traffic control and enforcement with other associations, such as the Weldon Neighborhood Association, Trent Neighborhood Association, Woodland Place Homeowner Association, and Clairmont Neighborhood Association, to mention a few.

ISSUE: The roadways in the Southampton Neighborhood Association, Inc. are privately owned, and therefore, the City of Tamarac through the Broward County Sheriff's Office does not have jurisdictional authority to provide traffic control and enforcement to this area.

The Southampton Neighborhood Association, Inc. has requested that the City and the Broward Sheriff's Office control and regulate traffic on the privately owned roadways. Per Section 316.006(2)b, Florida Statutes, a written agreement is required for a municipality to exercise jurisdictional authority for traffic control and enforcement purposes over private roadways owned or controlled by a special district.
