DATE: May 27, 2026

SUBMITTED BY: Kimberly Dillon

ITEM TYPE: Resolution

TEMP. RESOLUTION NUMBER: 14399

AGENDA SECTION: **CONSENT AGENDA**

TITLE: TR14399 – A Resolution of the City of Tamarac, Florida, ratifying citywide purchases from AMAZON.COM SERVICES LLC, during the period of May 1, 2025, through April 30, 2026, in the amount of \$513,630; authorizing an additional \$214,012 expenditure for the remaining period of fiscal year 2026; authorizing annual expenditures of up to \$513,600 for FY27 and FY28 with AMAZON.COM through the OMNIA Cooperative Contract Master Agreement awarded by the State of Utah as contract #LS4679; providing for conflicts; providing for severability; and providing for an effective date.

RECOMMENDATION: The Interim Director of Financial Services recommends that Temporary Resolution #14399 be placed on the May 27, 2026, Commission Agenda and recommends approval authorizing the ratification of expenditures totaling \$513,630.08 incurred from May 2025 through April 30, 2026 following the expiration of the prior contract authority; approval of additional expenditures in an amount not to exceed \$214,012 for the remaining period of Fiscal Year 2026 (May 1, 2026 through September 30, 2026); authorization of annual expenditures in an amount not to exceed \$513,600 for Fiscal Year 2027 and \$513,600 for Fiscal Year 2028; and authorization for the City to piggyback off OMNIA Partners Contract No. LS4679 with Amazon.com Services LLC for the procurement of operational supplies and related products used throughout City departments.

BACKGROUND: The City previously approved utilization of Amazon.com through Resolution No. R-2022-065 (Temp. Reso. #13796), adopted in June 2022, which authorized expenditures under the OMNIA Partners national consortium agreement awarded by the State of Utah as Contract #MA3457 through

May 5, 2025. That authorization provided departments access to Amazon products and supplies through a cooperative purchasing vehicle and supported efficient procurement operations across the organization.

OMNIA Partners Contract No. LS4679 is a competitively solicited cooperative purchasing (piggyback) agreement that permits participating governmental entities, including the City, to utilize an existing publicly awarded contract in lieu of conducting a separate solicitation process.

This resolution seeks authorization for the City to piggyback off OMNIA Partners Contract No. LS4679 with Amazon.com Services LLC, which provides access to a broad catalog of operational products and supplies utilized throughout City operations. The agreement term extends from May 6, 2025 through May 5, 2030, unless otherwise amended or terminated in accordance with contract provisions.

The City utilizes this cooperative purchasing vehicle to obtain routine operational items while reducing administrative procurement efforts, leveraging competitively awarded pricing, and maintaining operational efficiency.

Following expiration of the prior authorization under Resolution No. R-2022-065, purchases continued to support uninterrupted operations across City departments. As a result, expenditures totaling \$513,630.08 were incurred during the period from May 2025 through April 30, 2026 and require Commission ratification. Approval is additionally requested for expenditures not to exceed \$214,012 for the remainder of Fiscal Year 2026 and establishment of annual expenditure authority for Fiscal Years 2027 and 2028.

Specific expenditure detail and contract documentation are outlined in Exhibit 1 – OMNIA Agreement – LS4679 Amazon Online Marketplace MA and Exhibit 2 – Amazon Expenditure Report May 2025 through April 2026.

ISSUE:

The City continued utilizing Amazon.com Services LLC following expiration of the prior purchasing authority to maintain operational continuity and provide departments access to necessary products and supplies.
