RECOMMENDATION:

I recommend the City Commission authorize and approve the purchase of Tires and Related Services utilizing the National Association of State Procurement Officials (“NASPO”) Contract #24155 for Tires, Tubes and Services – NASPO ValuePoint Master Agreement (“Master Agreement”), for the purchase of Michelin, Goodyear, Bridgestone, and Continental products and services from authorized resellers, per the Master Agreement awarded by the State of Iowa, as the lead agency and as authorized by the State of Florida Alternate Contract Source (ACS) #25172500-24-ACS (“State of Florida ACS”), including but not limited to Tiresoles of Broward, Inc.; authorizing an expenditure from the appropriate accounts not to exceed the Approved Budget annually for said purpose, or as may be

amended by the City Commission (a detailed budget summary is included below); authorizing the appropriate City Official to execute any extensions or renewals per the NASPO Agreement; and that this item be placed on the July 10, 2024 Agenda.

BACKGROUND:

The fleet of vehicles and equipment maintained has a continuous need for tires to ensure safe and efficient operation. City staff has determined that the most cost-effective and efficient manner to purchase tires is by utilizing the State of Iowa NASPO Master Agreement #24155 (Florida Agreement #25172500-24-ACS). This is a competitively bid agreement that is available for the City of Tamarac to utilize and ensure competitive pricing. This Agreement was completed by the State of Iowa and is part of the National Association of State Purchasing Officials (NASPO) ValuePoint Agreement. All fifty (50) states are members of NASPO, including the State of Florida. For a local agency in Florida to use a NASPO agreement, the State of Florida Department of Management Services must adopt and approve the Agreement for use by the State and all its political subdivisions, including the City of Tamarac. The State of Florida adopted and approved the NASPO Agreement as State of Florida Agreement #25172500-24-ACS. The NASPO Agreement is effective July 1, 2024, through June 30, 2027. The Agreement may be renewed by the Lead Agency up to three (3) additional one-year renewals through June 30, 2030, for total possible term of six (6) years.
