TEMP. RESOLUTION NUMBER: TR14383

AGENDA SECTION: **CONSENT AGENDA**

TITLE: TR14383 - A Resolution of the City Commission of the City of Tamarac, Florida, approving and authorizing the purchase of Golf Course maintenance equipment: one (1) 2026 Terrain Cut Rough Mower and two (2) 2026 Gator TX Turf Utility Carts from Everglades Equipment Group in an amount not to exceed \$125,754.74 from the appropriate accounts; providing for conflicts; providing for severability; and providing for an effective date.

RECOMMENDATION: The Director of Parks and Recreation recommends that the City Commission authorize the appropriate City Officials to approve the purchase of golf course maintenance equipment including one (1) 2026 Terrain Cut Rough Mower and two (2) 2026 Gator TX Turf Utility Carts from Everglades Equipment Group in an amount not to exceed 125,754.74 and that this item be placed on the April 7, 2026 City Commission Agenda.

BACKGROUND: Annually, the Public Services Department conducts a comprehensive review of the City's fleet to identify vehicles and equipment that warrant replacement. This evaluation considers key factors such as age, mileage, market value, and cumulative repair costs. A replacement is recommended when the cost-effectiveness of retaining a vehicle diminishes and maintenance expenses become prohibitive.

Public Services Fleet Staff along with Colony West Management and Maintenance staff monitor the Colony West equipment condition, maintenance costs, safety, and overall utility of equipment. Based upon this review, Fleet

staff found that each piece of equipment recommended for replacement is in poor condition and their recommendation is to dispose of and replace them.

Three quotes were acquired for the procurement method. Everglades Equipment Group had the lowest quote for a total of \$125,754.74. Parks and Recreation Department is now requesting City Commission approval to purchase multiple pieces of equipment for Colony West Golf Course including one (1) 2026 Terrain Cut Rough Mower and two (2) 2026 Gator TX Turf Utility Carts. This equipment was approved and funded in the FY 26 budget.
