**DOCUMENT DESCRIPTION:**

**DISCUSSION** regarding proposed Utility Rates.

*(Continue discussion from the Governing Body meeting of June 9, 2026, regarding establishing adequate Utility Rates that will serve as the foundation for future Operating and Capital budgets.)*

**VOTING REQUIREMENTS:**

Discussion only. No action required by the Governing Body.

**POLICY ISSUE:**

Establishment of Utility Rates beyond 2026.

**STAFF RECOMMENDATION:**

Staff recommends the review and continued discussion of potential Utilities Rate increases.

**BACKGROUND:**

Ordinance 20416, approved in 2023, established Utility rates for 2024, 2025 and 2026. Utilities held four public meetings to present and receive community feedback. The Department will be presenting information gathered and continuing discussions on potential utility rates for 2027, 2028, 2029, and 2030. Future rates need to be addressed in 2026 to ensure customers have time to provide input and businesses have sufficient time to budget for 2027 and beyond.

**BUDGETARY IMPACT:**

Establishing adequate Utility Rates will serve as the foundation for future Operating and Capital budgets.

**SOURCE OF FUNDING:**

Water, Stormwater and Wastewater Rates
