BACKGROUND INFORMATION:

On August 5, 2025, the Dallas County Commissioners Court was briefed on a request from the cities of the Dallas Area Household Hazardous Waste Network to renew and revise the effective term and specify new fiscal year budgets for the Household Hazardous Waste (HHW) Program Interlocal Agreement (ILA). The HHW Program allows for the disposal, setup, operational, capital, and transportation costs for HHW collection for residents of the Town.

This ILA contains one-year renewals for a five-year total contract term that was originally authorized by Court Order 2022-0661. Amendment No. 3 continues the HHW program through FY2026 at a cost of \$7,125. There are no other changes to the basic terms and conditions of this agreement.
