

# AGENDA ITEM REPORT

K.4

---

**To:** Town Council

**Subject:** Discuss, consider and act upon the purchase of a type 3 fire apparatus with a minimum pump of 1250 gallons per minute (GPM) in an amount not to exceed \$650,000 and authorizing the Town Manager to execute the contract.

**Meeting:** Town Council - July 13, 2026

**Department:** Fire Department

**Staff Contact:** Rachel Ramsey

## SUGGESTED ACTION:

Staff recommends the Council to authorize the Town Manager to execute the Purchasing Contract with Daco Fire Equipment for the purchase of this apparatus.

## BACKGROUND INFORMATION:

Town Council approved the Fire Department's request to purchase a mini pumper in the FY 2026 budget, not to exceed \$650,000, utilizing funds from the Town of Sunnyvale's Vehicle Replacement Program. An Apparatus Committee was formed by Fire Department staff to create specifications for this apparatus that would best fulfill the department's needs. The committee determined the best use of these funds is to purchase a Type 3 Fire Apparatus with at least a 1250 GPM pump. This apparatus not only fulfills the need for a Mini-Pumper but also can be used as a brush truck and a rescue truck by equipping it with the appropriate equipment, which we currently have on hand. Additionally, this will accommodate the department's need to replace a brush truck that is in need of replacement, while also having the added benefit of having a rescue truck. The rescue truck is greatly needed for major vehicle accidents, especially on Highway 80, as well as meeting an identified need to assist maintaining, and possibly improve, the Town's Insurance Service Office (ISO) rating.

The Committee contacted and met with four (4) Fire Apparatus vendors and discussed the needs and specification requirements, and it was determined that the Rosenbauer Timberwolf Type 3 Fire Apparatus, through Daco Fire Equipment, met and exceeded our needs and is within the approved budget for \$648,641.

## FINANCIAL IMPACT:

The funds were approved as part of the FY26 budget utilizing funds from the vehicle replacement program.
