

AGENDA ITEM REPORT

K.4

To: Town Council

Subject: Discuss, consider and act upon approval of a contract with NewGen Strategies and Solutions, LLC to conduct a drainage utility and fee study.

Meeting: Town Council - August 25, 2025

Department: Engineering

Staff Contact: Elmer Benitez

SUGGESTED ACTION:

Staff recommends approval.

BACKGROUND INFORMATION:

Drainage Utility Districts (DUDs) are established to manage, maintain, and improve stormwater drainage infrastructure within their service areas. Periodically, the Town contracts with qualified contractors to perform necessary drainage improvements, repairs, or maintenance to ensure proper stormwater management, reduce flooding risks, and maintain compliance with applicable regulations.

The approval of this contract will authorize the Town to proceed with the planned drainage work within the DUD, supporting the ongoing goal of protecting property, infrastructure, and public safety.

FINANCIAL IMPACT:

\$75,000 is included within the Engineering Budget.
