SUBJECT: Consider adoption of Ordinance O2026-07 amending Section 10-18-6 "Rotation List Established for Non-consent Tows" of Chapter 18, "Wreckers," of Title X, "Motor Vehicles and Traffic," of the Official City Code of the City of Weatherford.

BACKGROUND/DISCUSSION

The City of Weatherford regulates non-consent towing through Title X, Chapter 18 of the City Code. Under the current ordinance, any wrecker company that meets the established qualifications is entitled to placement on the rotation list. The ordinance does not establish a maximum number of companies that may participate, which allows for an unlimited number of wrecker companies to be added to the rotation list as long as they meet the requirements.

As the number of eligible companies increases, the administrative responsibilities associated with inspections, compliance verification, documentation, and ongoing monitoring also increase. Without a defined cap, continued growth in the rotation list would place additional administrative strain on Police Department personnel and divert time and resources from core public safety duties.

The proposed ordinance amendment authorizes the Chief of Police to regulate the number of wrecker companies eligible for placement on the non-consent tow rotation list. This authority allows the Police Department to manage the rotation list in a manner that balances public safety, operational efficiency, and administrative capacity. To ensure transparency, fairness, and accountability, the Police Department will implement an internal procedure establishing operational protocol for the non-consent rotation wrecker list, which aligns with the requirements set forth in Title X, "Motor Vehicles and Traffic," Chapter 18, "Wreckers," of the Official City Code of the City of Weatherford.

FINANCIAL IMPACT
