BACKGROUND/DISCUSSION

The applicant is requesting a general plan and zoning map amendment from C1 General Commercial to C2 Interstate Commercial with a conditional use permit for a Recreational Vehicle Park/Campground Use on an approximate 10.97-acre tract being generally located at 2205 Tin Top Road, City of Weatherford, Parker County, Texas. The current general plan land use is Urban Living.

Recreational Vehicle (RV) parking and campground uses are not identified as permitted, special or conditional uses within the C1 General Commercial zoning district. However, they are allowed with a Conditional Use Permit in the C2 Interstate Commercial district.

The subject property has operated as an RV park for more than 30 years and currently includes approximately 81 existing RV spaces. The applicant is proposing to expand the facility with an additional 28 spaces. To accommodate the expansion, the applicant must obtain the proposed zoning change and secure a Conditional Use Permit. A Final Plat has been submitted in conjunction with this request to formally plat the property in accordance with City subdivision regulations.

Staff does not recommend approval of the request because the current use does not align with the character of the surrounding developments and the existing zoning and use of nearby properties.

ALTERNATIVES

1. The Planning and Zoning Commission may recommend approval of the request with no conditions.
2. The Planning and Zoning Commission may recommend approval with conditions.
3. The Planning and Zoning Commission may recommend disapproval of the request.

SUGGESTED ACTION/RECOMMENDATION
