---

### **BACKGROUND/DISCUSSION**

Thirkettle provides material and services for the City of Weatherford's Automated Metering Infrastructure (AMI) system each year that can cumulatively exceed \$50,000. These purchases are made under a Sole Source agreement and through the HGAC-Buy Cooperative Purchasing Contract. The City of Weatherford's purchasing policy requires Utility Board approval for any purchases over \$50,000. This request is to authorize the expenditure of those funds for FY23.

### **FINANCIAL IMPACT**

Expenditures in FY22 were \$346,805.26. Funds are available in the approved FY23 operating budget.

### **SUGGESTED ACTION**

Staff recommends approval.
