Weatherford City Council

AGENDA REPORT

Meeting Date:	July 22, 2025	**Staff Contact:**	Matt Leppla, Director of Public Works
Item Number:	2025-366-AR	**Phone:**	817-598-4148

SUBJECT: Consider adoption of Ordinance O2025-31, on first and final reading, amending portions of Title X Motor Vehicles and Traffic, Chapter 4 Parking Regulations, Section 10-4-21 Prohibited Parking of the City of Weatherford to include an all-time No Parking Zone along the 100 Block of South Weilland Street and the 800 Block of East Oak Street.

BACKGROUND/DISCUSSION

South Weilland Street and East Oak Street have been used for parking and storage of vehicles for Enterprise Rent-A Car (Enterprise) and it's customers. This causes recurring safety hazards for the traveling public, as well as operational obstacles for our Public Works and Public Safety departments. A particular concern is that vehicles are often parked too close to the intersections of Fort Worth Highway and South Weiland Street, and East Oak Street and South Weiland Street, which impedes visibility and safe turning movements. When vehicles are parked on both sides of the street, the limited roadway width makes it difficult for large vehicles—such as garbage trucks, dump trucks, and haul trucks—to safely navigate the area. There are also safety concerns when vehicles are parked on West Oak Street which are visibly obstructed by an existing hill.

Staff has contacted Enterprise on multiple occasions requesting that parking on South Weilland Street and the 800 Block of East Oak Street be avoided, and the representative for Enterprise committed to not parking on the streets. Also, during the 2017 zoning approval process, a representative from Enterprise assured the City Council that the surrounding streets would not be used for parking.

While parking on South Weilland Street and East Oak Street has been reduced since the City contacted Enterprise, there are still vehicles parked on South Weilland Street on a regular basis. Therefore, Staff recommends that the 100 Block of South Weilland Street and the 800 Block of East Oak Street be designated as an all-time No Parking Zone.

FINANCIAL IMPACT

Any required signage or markings will be funded within the Public Works operating budget.

SUGGESTED ACTION

Staff recommends adopting Ordinance O2025-31 creating an all-time No Parking zone along the 100 Block of South Weilland Street and the 800 Block of East Oak Street.
