

Weatherford Municipal Utility Board

AGENDA REPORT

Meeting Date: June 27, 2024

Staff Contact: Bill Smith, Assistant Director of
Public Works

Item Number: 2024-359-AR

Phone: 817-598-4033

SUBJECT: Consider authorizing the City Manager to execute a construction contract with Patcon Services, LLC for the 12" Gravity Sanitary Sewer to Serve Lift Station 26 project in the amount not to exceed \$516,275.87.

BACKGROUND/DISCUSSION

To facilitate development in the area, the City has identified a wastewater project that is needed near the intersection of Interstate 20 and Ric Williamson Memorial Highway. The project includes the extension of approximately 3,745 linear feet of 12" wastewater line as shown on the attached project map. This project is also identified on the City's 2017 Wastewater Master Plan.

Teague Nall and Perkins (TNP) completed the design of the 12" Gravity Sanitary Sewer to Serve Lift Station 26 project in April 2024. A notice to bidders for the construction of this project was advertised to bid on May 11, 2024 and May 18, 2024. The bids were opened publicly on June 11, 2024 with 16 bidders responding. The lowest responsive bidder was Patcon Services, LLC with a bid in the amount of \$516,275.87. TNP has evaluated the bid and the references for Patcon Services and has found nothing to warrant disqualification of their bid. Construction is expected to begin in July 2024 and be complete in November 2024.

FINANCIAL IMPACT

The construction of this project will be funded with currently available funds from utility rate revenues.

SUGGESTED ACTION

Staff recommends authorizing the City Manager to execute a construction contract with Patcon Services, LLC for the 12" Gravity Sanitary Sewer to Serve Lift Station 26 project in the amount not to exceed \$516,275.87.
