Weatherford City Council

AGENDA REPORT

Meeting Date:	February 24, 2026	**Staff Contact:**	Kiason Turner, IT Director
Item Number:	2025-714-AR	**Phone:**	817-598-4295

SUBJECT: Consider authorizing the City Manager to purchase computer workstations, laptops, and technology products from CDW-G, LLC. with budgeted dollars in an amount not to exceed $136,000.

BACKGROUND/DISCUSSION

The City of Weatherford's computing environment consists of various systems. Each year, the Information Technology department refreshes a portion of these systems. This year's refresh project will upgrade computers, laptops, and related peripherals for the Water, Wastewater, Electric, Engineering, and Information Technology departments. The project includes a four-year hardware lifecycle along with hardware and software upgrades. The City will utilize the Texas Department of Information Resources (DIR) Contract (DIR-CPO-5850) and related cooperative purchasing agreements/HUBs to complete these purchases.

The cost of the primary systems is $123,461.33. Additionally, we request authorization to expend up to 10% above that amount for additional necessary technology hardware, peripherals (monitors, mice, keyboards, etc.), and software from this vendor.

FINANCIAL IMPACT

Funds are currently allocated in the FY26 budget.

SUGGESTED ACTION

Staff recommends approval.
