### **BACKGROUND/DISCUSSION**

As required by Chapter 2256, Texas Government Code, the investment policy must be adopted by the City Council on an annual basis. This also includes approving a list of broker/dealers, which we are allowed to use to conduct business transactions. The policy addresses objectives, strategy, delegation, prudence, authorized investments, reporting, collateral, and safekeeping. The primary objective of the policy is safety, liquidity, diversification and finally yield. Our benchmark investment goal is the one year T-bill. The strategy discusses risk and cash flow need. Finally, the policy is in compliance with Chapter 2256, Texas Government Code.

### **FINANCIAL IMPACT**

### **SUGGESTED ACTION**
