SUBJECT: Consider award of contract renewal of Christian Cleaning for Janitorial Services for Municipal Buildings in the amount of \$300,084.

BACKGROUND/DISCUSSION

Christian Cleaning has been providing janitorial services for the city based on the first awarded contract in January, 2021. The custodial cleaning contract went out for bid again in 2023, in which the City Council awarded the contract to Christian Cleaning with 4 (four) option years to renew. City staff are very satisfied with the work they have continued to produce each year and would like to request approval to award another option year to Christian Cleaning to continue providing janitorial services. Staff has seen the need for an increased cleaning schedule at certain facilities. This proposal will add additional cleanings to areas of the Library that were not previously being done as well as additional daily cleaning at the public safety building. The new contracted amount will be \$300,084.

FINANCIAL IMPACT

Funding for this proposal was approved in the FY25 budget.

SUGGESTED ACTION

Staff recommends approval.
