### BACKGROUND/DISCUSSION

The applicant is requesting preliminary plat approval for RaceTrac Inc, being 2 lots on approximately 7.3410 acres of land. A conditional use permit and a Zoning Change Amendment has also been received for the lot 1 of the preliminary plat to allow for a Truck Stop use. The current zoning of the property is C2 General Commercial and AG Agriculture.

### **ALTERNATIVES**

1. The Planning & Zoning Commission may recommend approval of the plat as proposed.
2. The Planning & Zoning Commission may recommend approval the plat subject to conditions.
3. The Planning & Zoning Commission may recommend disapproval the plat for specified reasons.

### **SUGGESTED ACTION/RECOMMENDATION**

Because the zoning map amendment necessary to complete this subdivision as proposed is recommended for disapproval, staff recommends disapproval of the proposed preliminary plat. If the zoning map amendment necessary to complete the subdivision as proposed is approved, staff recommends that this preliminary plat be approved.
