| **Meeting Date:** | April 28, 2026 | **Staff Contact:** | Matt Leppla, Director of Public Works |
| **Item Number:** | 2026-803-AR | **Phone:** | 817-598-4148 |

**SUBJECT:** Consider authorizing the City Manager to execute a professional engineering services contract with Kimley-Horn & Associates, Inc. for design services related to Center Point Road Median Improvements Project in a contract amount not to exceed $40,000 for a total aggregate fiscal year expenditure amount of $1,179,500.

**BACKGROUND/DISCUSSION**

At the direction of the City Council, Weatherford has made great progress to successfully implement median improvements and updates along major corridors and gateways into the City. These efforts aim to replace vegetatior and materials from the aging medians at strategic locations with new plantings, irrigation, and other aesthetic features.

The Center Point Road Median Improvements Project includes approximately 2800 linear feet of landscape, hardscape, irrigation, and lighting improvements within the existing medians along Center Point Road from Interstate 20 to Fort Worth Highway (US180). In addition to the landscape and hardscape improvements, the project includes a monument sign as part of the design package. Kimley-Horn & Associates, Inc (KHA) has been selected to design this project as a continuation of the 2025 Conceptual Design effort for the area. The design of the project i expected to be complete in 3 months with construction award as early as fall 2026. This project will continue to greatly enhance the appearance of major corridors across the community.

Per the City's Purchasing Policy, no vendor may be procured in an amount exceeding $100,000 in aggregate for the fiscal year across all departments without City Council approval. To date, Kimley-Horn & Associates, Inc. has provided $1,139,500 in services for FY26. This requisition for $40,000 will bring the total FY26 expenditures to $1,179,500. Therefore, staff is bringing this item forward for City Council authorization to proceed.
