Weatherford Municipal Utility Board

AGENDA REPORT

Meeting Date:	June 25, 2026	**Staff Contact:**	Matt Leppla, Director of Public Works
Item Number:	2026-894-AR	**Phone:**	817-598-4148

SUBJECT: Consider authorizing the City Manager to execute a construction contract with RNO Construction for the Northeast Water Line Improvements project in the amount not to exceed $1,770,954.

BACKGROUND/DISCUSSION

As part of its ongoing efforts to improve the City's water infrastructure, the Water Utility identifies water facilities that are in need of replacement. The water lines along the 100-300 and 400 block of East Fourth Street, the 1300-1400 block of North Elm Street, the 200-300 block of East Fifth Street, the 1200-1400 block of North Rusk Street, and the 1200 block of Dicey Road have been identified to be in need of replacement due to frequent main breaks, small pipe sizes, and old or damaged pipes. This project includes the replacement of 5,385 linear feet of 8" water line and 675 linear feet of 24" water line. The project design was completed in May 2026. A notice to bidders for the construction of this project was advertised to bid on May 9, 2026 and May 16, 2026. The bids were opened publicly on June 2, 2026 with ten bidders responding. The lowest responsive bidder was RNO Construction, LLC with a base bid in the amount of $1,770,954. The bid and references for RNO Construction, LLC have been evaluated; nothing to warrant disqualification of their bid was discovered in the evaluation. RNO Construction has also successfully completed a project for the City. Staff recommends awarding the project to RNO Construction, LLC in the amount of $1,770,954. Construction is expected to begin in August 2026 and be complete in April 2027.

FINANCIAL IMPACT

The construction of this project will be funded with currently available funds from utility rate revenues.
