**SUBJECT:** Consider adoption of Ordinance O2022-07 establishing Stop signs at various street locations within the City and Ordinance O2022-08 establishing a No Parking zone on East Bankhead Highway.

---

### **BACKGROUND/DISCUSSION**

This is for placement of stop signs on various street intersections within the Heritage Trail Development. There are a total of 8 locations where stop signs are warranted per the Texas Manual of Uniform Traffic Control Devices (TXMUTCD) and recommended by the Transportation Advisory Board (TAB).

The NO Parking zone is for the 2600 block of East Bankhead Highway. Staff received a request from Weatherford Police Department (WPD) about tractor trailers parked on the side of roadway. WPD stated that tractor trailers were parked on the side of East Bankhead both sides all night causing a traffic safety issue. Staff looked at the area and determined that the road is very narrow and concurred with WPD to establish this location a No Parking Zone. TAB reviewed the request and recommended establishing a NO Parking zone at this location.

Staff presented data and information to the Transportation Advisory Board showing proposed traffic control signs and No Parking zone. TAB did not have any concerns and unanimously voted to recommend approval all items per staff's recommendations.

### **FINANCIAL IMPACT**

Funds are available in the Traffic Division of TPW Department for sign placements

### **SUGGESTED ACTION**

Staff recommends approval. The Transportation Advisory Board recommended approval by a vote of 4-0.
