**SUBMITTED BY:** Honorable Aryn Masters, Yakima Municipal Court

**SUMMARY EXPLANATION:**

Yakima Municipal Court began contracting with Yakima County for Probation Services in 2005 in order to reduce costs and approve effectiveness. The City of Yakima Municipal Court refers probationers to the County, which provides supervision services as ordered by the Court at sentencing.

The parties previously entered into a 5-year contract through December of 2025. In August of 2023, Yakima County District Court sent notice of intent to terminate the agreement due to a need to address increased costs in services. The attached agreement provides for continuation of cooperation and coordination between the agencies for probation services. The term of the agreement will end at midnight on December 31, 2029.
