YAKIMA, WASHINGTON
AGENDA STATEMENT**

Item No. 7.B.
For Meeting of: March 4, 2025

ITEM TITLE: Project Completion and Contract Acceptance for the Snow Removal Equipment (SRE) Procurement AIP# 3-53-0089-054-2023

SUBMITTED BY: Robert Hodgman, Yakima Airport Director

SUMMARY EXPLANATION:

This project included the procurement of Snow Removal Equipment (SRE) which were two high speed runway plows. The airport had two 1992 Oshkosh runway plows that had exceeded their useful life and the aging equipment continued to have major maintenance problems. The high-speed runway plows are essential to keep operations and the airport open during the winter months. Project cost was about \$1.5 million of which the Federal Aviation Administration (FAA) paid for 90% through Bipartisan Infrastructure Law (BIL) grant and 10% from the airport's Passenger Facility Charge account

ITEM BUDGETED: Yes

STRATEGIC PRIORITY 24-25: A Resilient Yakima

RECOMMENDATION: Accept Project
