

**BUSINESS OF THE CITY COUNCIL
YAKIMA, WASHINGTON
AGENDA STATEMENT**

Item No. 7.F.
For Meeting of: November 18, 2025

ITEM TITLE: Resolution declaring refuse trucks (3350 and 3321) and streets asphalt paver (6087) as surplus and authorizing its disposal per Surplus Disposal Policy 3-100

SUBMITTED BY: Scott Schafer, Public Works Director
* Kerry Jones, Fleet and Facility Manager

SUMMARY EXPLANATION:

The City of Yakima (City) owns various used rolling stock for which the City has no immediate or foreseeable use and which are surplus to the needs of the City. Currently, the City has a 2017 Mack/Heil Refuse Truck (ER3350) has reached end of life cycle and needs extensive body and floor repairs, a 2015 Mack/Heil Refuse Truck (ER3321) that needs a new transmission and extensive body repairs, and a 2012 Leeboy Asphalt Paver (ER6087) which is in fair condition but has reached end of life cycle and no longer fits within the City's paving needs. Assets are proposed to be declared surplus and sold on GovDeals, a public online auction host. Surplus Disposal Policy 3-100 permits the City to declare certain rolling stock surplus and authorizes disposal of said property in a manner most beneficial to the City of Yakima; requiring any surplus exceeding \$15,000 to be approved by City Council. We anticipate each item to exceed the \$15,000 threshold.

ITEM BUDGETED: N/A

STRATEGIC PRIORITY 24-25: A Resilient Yakima

RECOMMENDATION: Adopt Resolution.
