YAKIMA, WASHINGTON
AGENDA STATEMENT**

Item No. 9.D.
For Meeting of: June 2, 2026

ITEM TITLE:

Resolution amending the Master Fee Schedule to incorporate the increase in rates for the Wastewater Division

SUBMITTED BY:

Scott Schafer, Public Works Director

SUMMARY EXPLANATION:

The City of Yakima (City) wishes to amend the Wastewater rates within the Master Fee Schedule to account for the City Council approving a 3% utility tax increase on the Wastewater Division to fund Fire Station 92. The increase in Wastewater rates would be specifically to each ready-to-serve charge on a bi-monthly billing period in the amount of 8.4% for 2026 and 3.0% for each year for 2027 - 2029; generating approximately \$775,000 per year.

The rate increase is being applied directly to the ready-to-serve charge to guarantee the funding amount needed to cover the 3% increase in utility tax to the General Fund. The ready-to-serve charge is a constant amount and is independent of frequency of use and/or volume.
